

Corporate Events on the Bosphorus

Proposal file for meetings, cocktails, dinners and year-end parties on a private yacht · 2026–2027

Constantine Yachts · Karaköy, Istanbul · TÜRSAB A-805 · since 1967 · Google 5.0 (292 reviews)

Prepared November 2026. Figures are our published prices and current catalogue; a written quote for your event is sent the same day.

The Bosphorus instead of a function room

There is one reason to move a corporate evening onto a yacht: a setting no venue in the city can offer for the same time and budget. Guests board at Karaköy, the yacht passes Dolmabahçe and Çırağan, the speech is given under the bridge, dinner is served as the city lights come on. The deck is yours alone; there is no other group and no other table.

Pricing is for the whole yacht, never per person. From 1 April to 31 October it starts at €150 per hour, from 1 November to 31 March at €125 per hour, with a two-hour minimum. The hourly rate covers up to 12 guests; each guest above 12 adds €25, once per charter. Soft drinks are included; catering, alcoholic drinks, music and decoration are added only as you choose them. The person who answers you is the person who prepares the yacht and the crew; there is no intermediary.

Below: formats, the fleet, two sample programmes, menus and our catalogue, budget examples, invoicing and payment, guest reviews and frequently asked questions. Send your date and guest count and the written quote arrives the same day.

Three formats

Format	When it fits	How it is set up
Cocktail cruise (2–3 hours)	Year-end, post-launch, team celebration, hosting clients	Standing service, canapés and snack platters, DJ or background music; engines stop off Ortaköy for the speech.
Seated dinner (3–4 hours)	Management dinner, dealer or client evening, awards night	Tables in the saloon and on the upper deck, 4-course menu, speeches before dinner; music at background level.
Meeting + cruise (3–5 hours)	Strategy day, dealer meeting, product presentation	Session in the saloon with projector and sound system, then cocktails on deck and a Bosphorus cruise; daytime slots work too.

Up to 200 guests

Our own yachts are built for 12, 32 and 44 guests; the partner fleet adds yachts for 20 and 77, larger groups are split across two yachts or hosted on partner yachts for up to 200 guests. Capacities depend on the layout: more for a cocktail, fewer for a seated dinner.

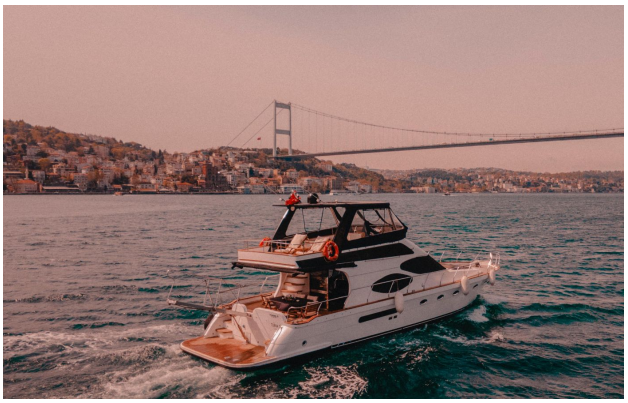

Yacht	Capacity	Length	Use
Constantine	44 guests	24 m	Our flagship. Large saloon and upper deck; seated dinner for 30–36, cocktail for 44. Presentation screen and sound system.
Crystall	32 guests	24 m	Luxury motor yacht; the most balanced choice for management dinners, dealer evenings and teams of 20–30.
Tuana	12 guests	17 m	Board meetings, a small client group, one-to-one meetings. Dinner menu on this yacht is 1,500 ₺ per person.
White Istanbul (partner)	77 guests	26 m	Large year-end parties and launches; white luxury yacht with a wide open deck. Priced in the written quote.
By Serayaz (partner)	20 guests	20 m	Boarding beyond Karaköy: Kabataş, Beşiktaş, Üsküdar, Kadıköy, Sarayburnu, Bostancı. Priced in the written quote.

5 · BUDGET

Pricing, with three examples

On our own yachts the rate starts at €150 per hour from 1 April to 31 October and €125 per hour from 1 November to 31 March, two-hour minimum. Six hours and more: from €120 per hour in summer, 10% off the hourly rate in winter (from €112.50). Full day (8 hours): from €960 in summer, €900 in winter. The winter rate does not apply on 24–25 December and 14 February (standard €150 per hour) or on 31 December (New Year's Eve pricing, in the written quote). The hourly rate covers up to 12 guests; each guest above 12 adds €25 once per charter, not per hour: rate × hours + (guests − 12) × €25. With two yachts, each includes 12 guests. Partner yachts (White Istanbul, By Serayaz) are priced in the written quote, guest surcharge included. No port tax, booking fee or fuel surcharge. The price is for the yacht, not the seat: the same for 2 to 12 guests, and the per-person figure falls as the group grows.

The examples use our published hourly rates for both seasons, the €25 surcharge per guest above 12 and our catalogue; the final amount is set in the written quote.

Example budgets

Scenario	Yacht	Catering and extras (catalogue)
Management dinner · 10 guests · 3 h · Tuana	Summer: 3 × €150 = €450 Winter: 3 × €125 = €375 (no surcharge up to 12 guests)	Dinner 10 × 1,500 ₺ = 15,000 ₺ + 4 bottles of wine €160
Team cocktail · 30 guests · 3 h · Crystall	Summer: 3 × €150 + 18 × €25 = €900 (€30 per person) Winter: 3 × €125 + 18 × €25 = €825 (€27.50 per person)	7 snack platters 5,250 ₺ + 3 fruit platters 1,500 ₺ + DJ 5,000 ₺ + alcoholic drinks (soft drinks included)
Year-end dinner · 60 guests · 4 h · Constantine + Crystall (two yachts)	Summer: 2 × 4 × €150 + 36 × €25 = €2,100 (€35 per person) Winter: 2 × 4 × €125 + 36 × €25 = €1,900 (about €32 per person) (12 guests included on each yacht: 60 − 24 = 36)	Dinner 60 × 800 ₺ = 48,000 ₺ + DJ 5,000 ₺ + decoration 1,500 ₺

In the 60-guest example, two yachts + 4-course dinner + DJ + decoration comes to roughly 900 ₺ + €35 per person (winter: 900 ₺ + €32), below a hotel ballroom in the city. For 60 guests on one yacht, the partner yacht White Istanbul is priced in the written quote, guest surcharge included.
