Corporate Events on the Bosphorus

Proposal file for meetings, cocktails, dinners and year-end parties on a private yacht · 2026–2027

Constantine Yachts · Karaköy, Istanbul · TÜRSAB A-805 · since 1967 · Google 5.0 (292 reviews)

Prepared 1 October 2026. Figures are our published prices and current catalogue; a written quote for your event is sent the same day.

The Bosphorus instead of a function room

There is one reason to move a corporate evening onto a yacht: a setting no venue in the city can offer for the same time and budget. Guests board at Karaköy, the yacht passes Dolmabahçe and Çırağan, the speech is given under the bridge, dinner is served as the city lights come on. The deck is yours alone; there is no other group and no other table.

Pricing is for the whole yacht, never per person. It starts at €150 per hour with a two-hour minimum; the hourly rate covers up to 12 guests and each guest above 12 adds €25 once; catering, drinks, music and decoration are added only as you choose them. The person who answers you is the person who prepares the yacht and the crew; there is no intermediary.

Below: formats, the fleet, two sample programmes, menus and our catalogue, budget examples, invoicing and payment, guest reviews and frequently asked questions. Send your date and guest count and the written quote arrives the same day.

Three formats

Format	When it fits	How it is set up
Cocktail cruise (2–3 hours)	Year-end, post-launch, team celebration, hosting clients	Standing service, canapés and snack platters, DJ or background music; engines stop off Ortaköy for the speech.
Seated dinner (3–4 hours)	Management dinner, dealer or client evening, awards night	Tables in the saloon and on the upper deck, 4-course menu, speeches before dinner; music at background level.
Meeting + cruise (3–5 hours)	Strategy day, dealer meeting, product presentation	Session in the saloon with projector and sound system, then cocktails on deck and the sunset; daytime slots work too.

From 12 to 200 guests

Our own yachts are built for 12, 32 and 44 guests; the partner fleet adds yachts for 20 and 77, larger groups are split across two yachts or hosted on partner yachts for up to 200 guests. Capacities depend on the layout: more for a cocktail, fewer for a seated dinner.

Yacht	Capacity	Length	Use
Constantine	44 guests	24 m	Our flagship. Large saloon and upper deck; seated dinner for 30–36, cocktail for 44. Presentation screen and sound system.
Crystall	32 guests	24 m	Luxury motor yacht; the most balanced choice for management dinners, dealer evenings and teams of 20–30.
Tuana	12 guests	17 m	Board meetings, a small client group, one-to-one meetings. Dinner menu on this yacht is 1,500 ₺ per person.
White Istanbul (partner)	77 guests	26 m	Large year-end parties and launches; white luxury yacht with a wide open deck. Priced in the written quote.
By Serayaz (partner)	20 guests	20 m	Boarding beyond Karaköy: Kabataş, Beşiktaş, Üsküdar, Kadıköy, Sarayburnu, Bostancı. Priced in the written quote.

Constantine, 24 m, 44 guests

Standard boarding is at Karaköy; Kabataş, Beşiktaş, Bebek, Kuruçeşme or Kadıköy are possible for a distance-based surcharge. The yachts operate with captain and crew under our TÜRSAB A-805 licensed agency (AST Tourism).

Two worked runs of show

A run of show sent in advance makes the route, the catering and the engines work with your programme rather than against it. Two examples; both adapt freely.

22:00	Alongside at Karaköy; guests are ashore within ten minutes.

16:00	Presentation and meeting session; yacht at the pier or cruising slowly with engines quiet.
17:30	Break; pre-sunset cocktails on deck, cruise into the Bosphorus.

Catalogue prices are in Turkish lira and are confirmed in the quote; the yacht rate is published in euros on our site. If you bring your own catering, the service fee is 150–200 ₺ per person.

How pricing works, with three examples

On our own yachts the rate starts at €150 per hour with a two-hour minimum, covering up to 12 guests (each guest above 12 adds €25 once); from €120 per hour for six hours and more. Partner yachts (White Istanbul, By Serayaz) are priced in the written quote by yacht and date. No port tax, booking fee or fuel surcharge. The per-person figure improves as the group grows because the rate is fixed. If a few people drop out the week before, the invoice does not change: the price is for the yacht, not the seat.

The examples below use the hourly rate on our site and our catalogue; the final amount is set in the written quote by yacht, date and the extras you choose.

Example budgets

Scenario	Yacht	Catering and extras (catalogue)
Management dinner · 10 guests · 3 h · Tuana	3 × €150 = €450	Dinner 10 × 1,500 ₺ = 15,000 ₺ + 4 bottles of wine €160
Team cocktail · 30 guests · 3 h · Crystall	3 × €150 + 18 × €25 = €900 (€30 per person)	7 snack platters 5,250 ₺ + 3 fruit platters 1,500 ₺ + DJ 5,000 ₺ + drinks
Year-end dinner · 60 guests · 4 h · Constantine + Crystall (two yachts)	2 × 4 × €150 + 36 × €25 = €2,100 (€35 per person)	Dinner 60 × 800 ₺ = 48,000 ₺ + DJ 5,000 ₺ + decoration 1,500 ₺

In the 60-guest year-end example, two yachts + 4-course dinner + DJ + decoration comes to roughly 900 ₺ + €35 per person, below a hotel ballroom in the city, with the Bosphorus as the stage. For 60 guests on a single yacht, the partner yacht White Istanbul is priced in the written quote.

Booking, invoicing and payment

Send the date, guest count, format and run of show if you have one; you receive a written, fixed-price quote the same day. A 30% deposit confirms the date, the balance is due on the day. Payment by card (Stripe, in your currency, card details never reach us) or by EUR/USD bank transfer; there is a US bank account for American companies.

Every corporate charter is invoiced by our US-based company Sunset Tours LLC as a commercial invoice in USD or EUR with the company details your procurement asks for. The cruise runs under Turkish tourism licence TÜRSAB A-805 (AST Tourism); licence, insurance and company documents are available for vendor onboarding.

Cancellation and weather: terms are stated on your booking confirmation; special dates such as New Year's Eve have their own terms. If the captain cancels a departure for safety, you choose another date or a full refund.
